

Junior Division Road Racing Criteria *(Updated December 2017)*

The following describes the criteria and guide lines for each grade. To race outside these guide lines requires the permission of the road race convenor.

Under 17

- Must be 16 or under at 31 December
- Rollout to a maximum of 7.0 metres for all races.
- Race length up to 80 km when racing with seniors & 50 km when under 17
- Can't ride Classic events eg. Gore-Invercargill, Gore-Waikivi etc.
- May race in points series if they race in C Grade or above.
- Can race with seniors with the following conditions:
 1. Can keep up and roll through in C Grade or above.
 2. Pay senior entry fee (\$10).
 3. Can claim placing & prizes

Under 15

- Must be 14 or under at 31 December
- Rollout to a maximum of 6.61 metres for all races.

Under 13

- Must be 12 or under at 31 December
- Rollout to a maximum of 6.0m metres for all races.

Junior Division Grading System

Racing can also be run on a grading system the basis of which are the age groups but allows for better riders to ride up a grade but more importantly allow the less experienced to ride against riders closer to their ability.

Junior Division Handicap Racing

Handicap racing will group you according to your ability/division. Handicaps can be raced within your division or by combining divisions.
