

Cycling Southland Summer Road Programme, Jan-May 2019

General:

- All road rules of the race manager must be obeyed; failure to follow them may result in disqualification or stand down.
- It is compulsory to attend the race briefing prior to start time.

Road Race Numbers:

At the start of the season you will be assigned a race number for the whole year. You must wear these to every race. If you forget to bring your race number you can hire an additional number for \$5.00. No number, no race!

Race Registration:

Cycling Southland use "Teamer" online registration. Please email office@cyclingsouth.org.nz requesting to join this system. Once you are a member you will be emailed a weekly road race registration request, you simply click accept or decline. Teamer also has an app for those iPhone users.

Race Licence:

All competitors must be CNZ-licensed. Present your licence at sign on at the start of the season and you will be given a sticker for your helmet. Bring your helmet each week and you don't have to bring your physical licence to every race.

Race Cancellations:

If the race is cancelled due to weather conditions then a text alert will be sent out and it will be posted on the Cycling Southland Facebook Page. To sign up to the Racing Text Alert all you need to do is text the code **21711** to **3080**.

Being a Manager or Marshall:

Please note where in the programme you have been assigned a duty as a Race Manager or Marshall. If you have not been assigned a duty in this programme, then please raise your hand to volunteer on a weekend when we need extras / when the cry for help goes out. In order to run our races we are reliant on people volunteering and in many cases we need more help than is assigned.
