# YUNCA JUNIOR TOUR OF SOUTHLAND

## **COVID-19 MANAGEMENT**

The event recognizes the impact that COVID-19 has had on the country and in this case, the events industry.

The event will adopt the 'New Events Sector Voluntary Code' to deliver the event following best practice expectations based on the Ministry of Health guidance.

Below outlines the key measures which will be implemented to support the code:

- **Race bubbles**
  - Riders will be split into two bubbles for the event – please follow signs and instructions in this regard. The U19 men and women, and U17 men are one bubble, and the U17 women, U15 boys and girls, and U13 boys and girls are in the other bubble. Separate sign in, staging areas, et cetera will be provided for the two bubbles.
- **Contact Tracing**
  - The event participants are required to pre-enter with their contact details.
  - Event Officials and Volunteers must also register their details prior to the event.
  - A Contract Tracing QR code will be displayed around the event for supporters to register their attendance. Using the code is compulsory.
- **PPE**
  - Hand sanitiser will be available at the race office (caravan) and other points of contact for those attending the event.
  - Gloves and masks will be available for those staff and volunteer who are in regular contact with others (e.g. Holders etc)
  - Our first aid provider will operate within their own COVID-19 operating procedures.
- Riders, supporters and spectators have to use the Contract tracing QR code that is displayed around the event to register their attendance.
- Wear a mask when not exercising.
- If you're sick, stay home. Please do not turn up at the event.
- If you have cold or flu symptoms call your doctor or Healthline and make sure you get tested.
- Wash your hands. Wash your hands. Wash your hands.
- Sneeze and cough into your elbow, and regularly disinfect shared surfaces.
- If you are told by health authorities to self-isolate you must do so immediately.
- If you're concerned about your wellbeing or have underlying health conditions, work with your GP to understand how best to stay healthy.
- People will have had different experiences over the last couple of months. Whatever you're feeling — it's okay. Be kind to others. Be kind to yourself.

This event has introduced many of New Zealand's aspiring cyclists to tour racing. Many have gone on to represent their country at the highest international level. The annual Yunca Junior Tour of Southland has six stages for Under 19 & 17 Men and Women and Under 15 & 13 Boys and Girls.

Cycling Southland acknowledges the outstanding and ongoing support from Yunca Heating, with the 2021 event being the 38th Yunca Junior Cycling Tour of Southland.
