Cycling Southland Winter Road Programme 2024

Welcome to the Cycling Southland Road Cycling Programme. The planning committee have endeavoured to provide a programme that has variety and is attractive to all members. The races also provide an opportunity for new members entering the sport for the first time and all current members are urged to welcome and encourage these riders.

Cycling Southland is also placing emphasis on providing races for our junior members and your encouragement to our future champions would also be welcomed.

We trust that you enjoy the programme we have provided and wish you all the very best for the season ahead.

Types of Races:

Mass Start – All riders start and ride together until a certain point and then race back to the finish line. It is optional if you choose to race the last section.

Graded Race – Riders are split into different grades based on their ability. Each grade has its own race winner and varying distances.

Handicap – Riders are given a start time based on their ability. Limit riders start on zero mins whereas Scratch riders could be waiting 30mins before they start.

Sealed Handicap - Riders start at the same time. After the race is complete, the officials will adjust the individual finish times using the handicap times to determine the net time for each athlete. The rider with the lowest net time is the winner.

Points Race – Riders are in their graded groups and are trying to score points as they pass through the finish line each lap.

Time Trial – An individual race timed over an allocated distance.

Dominator Doors Wednesday Worlds:

Wednesday Worlds is an opportunity for new riders wanting to have a go in a safe and friendly environment. A newcomer's grade will be provided.

Race Distances:

Please note distances shown in this calendar are a guide only. Social & Junior riders have set distances which can be found in the full calendar on www.cyclingsouth.org.nz/pages/this-weeks-road-schedule/

General:

- All road rules of the race manager must be obeyed; failure to follow them may result in disqualification or stand down.
- It is compulsory to attend the race briefing prior to start time.
- All riders must comply with the Cycling Southland Road racing rules.
- All races are raced on open roads, riders must obey all road rules.

Road Race Numbers:

At the start of the season, you will be assigned a race number for the whole year. You must wear these to every race. If you forget to bring your race number, you can hire an additional number for \$5.00. No number, no race!

Race Registration:

Cycling Southland use "Webscorer" online registration. Please email office@cyclingsouth.org.nz requesting to join this system.

Race Licence:

All competitors must have RTX sport membership or a CNZ license. Present your licence at sign on at the start of the season and you will be given a sticker for your helmet. Bring your helmet each week and you don't have to bring your physical licence to every race.

Cancellations:

Races are dependant on a minimum of 25 entries being recorded by 5pm on the Friday before the race. If the race is cancelled due to weather conditions or lack of numbers, then it will be posted on the Cycling Southland Facebook Page.

Being a Manager or Marshall:

Please note where in the programme you have been assigned a duty as a Race Manager or Marshall. If you have not been assigned a duty in this programme, then please raise your hand to volunteer on a weekend when we need extras / when the cry for help goes out. In order to run our races, we are reliant on people volunteering and, in many cases, we need more help than is assigned.

Entry Fee:
