Good morning Corporate Pursuiters. Cycling Southland is keen to get as many of your friends & family down to support your efforts on the track. Don't forget to talk about how your training is going – make them understand what it is like flying around at 50kph on a 43% banking! - perhaps even mention those 'recovery' drinks after a long session!

Why not post pictures on Facebook? Our coaches will be happy to take a few snaps of your speeding around the track. We might even run a little competition for the best picture posted on our [Facebook page](#)! Finally if you are a tweeter, our twitter is [@cyclingsouth](#). Hashtag for the corporate pursuit is #CorporatePursuitSouth; **don't forget to get your company to share your efforts!**
