

Cycling Southland Junior Division Travel fund and fundraising policy

The following is the recommended maximum travel funding for riders selected for a Club, Centre or BikeNZ team. Any funding will be dependent on the club's financial position.

When travelling as a club or centre team. A bulk payment will be made towards team funds, which will not exceed the per person values below. Team Management shell also be entitled to equal funding. Team management shell consists of a Team manager, Team coach & Parental support at a ratio of 1 parent to 3 kids. Funding for parental support should be calculated at the 1 to 3 ratio and then divided equally amongst all parents actively involved with the team.

Allocation:

Event Location

South Island	\$50.00 pp
North Island	\$150.00 pp
Australasia	\$250.00 pp
Rest of the World	\$400.00 pp

When travel is not part of an organised club team, riders must apply in writing to the Junior Division committee to receive any funding.

Fundraising

General fundraising will be proportioned per family as follows. Money received from each fundraising event shell be divided proportionally amongst those involved in that event. This money will be held by cycling southland as a credit against your family name and can be applied for to cover travel and or accommodation and food for any cycling related event.

Tour or event specific fundraising

The distribution of money shell be decided by the event fundraising or organising committee. For example more money could be allocated for a team manager and or coach.
