Note the Green Boxes are the dates for the Secondary School Competition

Secondary School Team Competition

Aside from the individual competition, there is a Secondary School Team Competition. Points will be awarded to each rider. If 35 cyclists enter then the 1st rider will get 35 points and so on down to the last person getting 1 point. Points from the first 5 riders from each school count towards a points trophy.

Please register for the races at the 'Weekly Road & Track Schedule' on the Cycling Southland website the day before each event.
