

Oceania Track National Championships

8th – 11th October 2014

Adelaide, Australia

Dear Centres,

This letter is to detail information that has become available for the 2014 Oceania Track National Championships on the 8th – 11th October, in Adelaide, Australia.

The event programme and entry process is currently being finalised by the event organisers. Once the programme and entry forms are available these will be sent out to all Centres.

Entry Criteria

Entry Criteria/Process (NZ)

Entries for team and individuals by Centre only. Riders must be endorsed and entered by their respective Centre which will then be approved by BikeNZ before submitting to Cycling Australia.

Entry forms and criteria will be sent to each Centre once the information has been provided.

Licence Requirements

Please note that this is an International Event so your domestic licence is not sufficient. Riders need to have a 2015 Race Elite (or Race Youth if U19) International Licence.

Official Entry Criteria: The Oceania Championships are open to National teams, UCI registered teams, Australian State or Institute teams, NZ centre teams, club teams and individual entries. Individual entries will require the endorsement of their State Coach/Selector before the entry is accepted.

Age Categories: While these titles are being held in 2014, they are the 2015 Championships and therefore the Under 19 category is open to cyclists who turn 17 or 18 years of age in 2015 (ie cyclists born in 1997 and 1998).

The Omnium will be raced under the new UCI format.

1. Scratch race
2. Individual pursuit
3. Elimination
4. Time Trial
5. Flying lap
6. Points race

More information will be available shortly.

Kindest regards

Gina Bengé

Event Coordinator
