

## **Cycling Southland**

### **Junior Division Travel fund and fundraising policy**

The following is the recommended maximum travel funding for riders selected for a Club, Centre or Cycling NZ team. Any funding will be dependent on the club's financial position.

When travelling as a club or centre team, a bulk payment will be made towards team funds which will not exceed the per person values below. Team Management shall also be entitled to equal funding. Team management shall consist of a Team manager, Team coach & Parental support at a ratio of 1 parent to 3 kids. Funding for parental support should be calculated at the 1 to 3 ratio and then divided equally amongst all parents actively involved with the team.

Allocation:

Event Location

<b>South Island</b>	
Dunedin	\$50.00 pp
Christchurch	\$100.00 pp
Nelson	\$150.00 pp
<b>North Island</b>	\$250.00 pp
Australasia	\$400.00 pp
Rest of the World	\$600.00 pp

When travel is not part of an organised club team, riders must apply in writing to the Junior Division committee to receive any funding.

#### Fundraising

General fundraising will be proportioned per family as follows. Money received from each fundraising event shall be divided proportionally amongst those involved in that event. This money will be held by Cycling Southland as a credit against your family name and can be applied for to cover such things as travel, accommodation, food, concession cards, licenses, training course or anything cycling related as this is the attended purpose of the fundraising.

#### Tour or event specific fundraising

The distribution of money shall be decided by the event fundraising or organising committee. For example, more money could be allocated for a team manager and or coach.
