Licencing

IMPORTANT INFORMATION FOR RIDERS & CENTRES

Cycling New Zealand has reviewed the licencing requirements for the Oceania Track Championships with the Road and Track Technical Panel. We have agreed to provide a concession for licencing to ensure consistency of licencing criteria between New Zealand and Australia for Oceania events.

Athletes and Officials are now permitted to participate with their 2015 Licence, however as this is a 2016 event, all riders must compete in their 2016 category/age group (if applicable).

Officials (including coaches, team managers, mechanics and soigneur's) will require a 2015 Ride Club Licence with a technical endorsement from their Centre. Licence requirements are tabled below:

Category	Age Category	Licence Requirement
Elite Men & Women	n/a	2015 Race Elite
U19 Men & Women	17 or 18 years of age as at 2016	2015 Race Youth
Officials	Team Managers, Mechanics, Handlers, Soigneurs and Other officials.	2015 Ride Club + *Technical endorsement from your Centre.

Mass Start Events

All mass start events will be limited to 24 starters. There will be no heats for mass start events. In the event that we reach capacity a full refund of your entry fee (if applicable) will be permitted.

Accreditation

Accreditation for teams will be strictly adhered to. Teams are allowed a Manager and Coach and x 1 handler per 5 competitors. Any extras are required to purchase a ticket and sit in the stand. This is for safety reasons and to avoid congestion in the inner Velodrome area.

Approved Athletes and Officials as listed on your entry form will be provided with accreditation at the Team Managers Meeting.
